

TumbleBee Gym

Parent/Tot Gymnastics for ages 8 weeks to 3 1/2 years

Gymnastics is a GREAT foundation for future sporting and academic pursuits. Studies have shown that a variety of movements positively affect brain development.

Parents' role in Parent/Tot Gymnastics Classes:

Your role is to actively assist your child and the teacher. Your attention will be focused on your child 100% of the time. With our assistance, you will guide your child through gymnastics circuits, applaud their successes, and provide hands-on support- "spotting"- as necessary.
