Class Payment Policies and Calendar

2017-2018 School Year

## Program Design

Our program is set up to run through the entire school year – about nine months. The tuition payments are monthly, but the classes are continuous – they do not run from month to month. When you enroll in a class in the fall, this class will build through the year and culminate at the end of May. If you need to withdraw from classes for any reason, you only need to give us a month’s notice by filling out a withdrawal form, available online or in our office.

## Registration and Payment Information

Fees for our school-year classes are broken up into ten monthly tuition payments. To register for a class, you must pay that current month’s tuition. Your tuition will be due on the first of each month unless you notify us otherwise. In addition to tuition, you must pay the Annual Administration Fee of \$39 per family, if due. Registration is taken on a first-come, first-served basis. New students may enroll at any time on a space-available basis.

- Classes run from August 19<sup>th</sup> through May 25<sup>th</sup>
- Each tuition payment covers four weeks of class with the exception of August and December payments which are prorated to two weeks.
- For monthly tuition rates, please see the Monthly Tuition List.

*Please Note:* Each payment covers four weeks of classes, however the four weeks covered by a payment do not always line up with the beginning of a month. Instead of making payments due on a different date each month, we simplify your calendar and have all payments due on the 25<sup>th</sup> of each month. See the Monthly Payment Schedule below a full list of which classes are covered by each payment.

There is no need to worry about making up classes that you miss while we are closed for Thanksgiving, Winter Break, and Spring Break. Those weeks are not included in the class schedule!

## Monthly Payment Schedule

- Our classes run from Saturday, August 19<sup>th</sup> through Friday, May 25<sup>th</sup>. Tuition is paid monthly.
- At the time of registration your current month’s tuition is due. If you start at the beginning of the school year, the first month’s payment will be prorated to two weeks for August. The remaining school year tuition payments will be due on the 25<sup>th</sup> of each month beginning with September tuition due on August 25<sup>th</sup>. Please note that one month of tuition covers 4 weeks of classes. The August and December tuition will be prorated to 2 weeks.

## Withdrawal Policy

We require written withdrawal notice by the 20<sup>th</sup> of your last month. For example, if you plan to make February your last month, you must inform us in writing by February 20<sup>th</sup> so that you do not get charged for the upcoming month. There will be no tuition refunds for short notice of withdrawal. If you withdraw mid-month you will not be charged tuition for the next month, however, you will not be refunded for any unused weeks of class remaining in the current month. Withdrawal forms are available at the front desk or online. If you wish to return to the class at a later date, you may do so on a space available basis.

## Refund Policy

We have a 30 day 100 % money back guarantee for new students. A full refund of all fees paid at the time of registration is available for the first 30 days starting from the first day of class. After 30 days the withdrawal policy will be in effect.
