## How do TumbleBees Advance?

Our TumbleBee classes are designed with a lot of variety and activity. Our teachers are trained to adjust the lesson plan to each individual class. If you feel your child is not in the correct class for any reason, please talk to your child's teacher.

However, we do allow students to move up the levels based on specific skill requirements. If our staff feels your child would be better served in a more advance level, we will let you know.
