

Harry Potter

Part 2 Camp Spotlight

July 9-13, 2018

1:00-4:30 PM

\$37 per day

Make it a full day for \$74 by adding a morning camp!

What better way to beat the mid-summer heat than another weekfull of magic, friends, and fun at Harry Potter camp?! The day starts by boarding the Hogwarts Express, and then the sorting hat will put you in a new house each day! The world of Harry Potter is such a huge and magical place, your young wizard will be entertained for another week and still want more!

Monday - Heading to Hogwarts. Welcome to the wonderful world of Harry Potter! Campers will receive their official acceptance letters to Hogwarts, complete with a list of all the materials they will need to be successful at their new school. Wands and spellbooks are a must, but where will we get such items like these? Each camper will make their very own wand, spellbook, and we will even get the chance to make edible broomsticks!

Tuesday -Flying. Our campers will not only work on their own flying skills, but train their owls to fly as well! Each camper will make their own owl and try not to let it fly to the ceiling of the Beehive.

Wednesday - Potions. Campers will begin by making their very own cauldron to help us brew up some potions. We will enjoy both edible and non-edible potions that are sure to bring a smile to every camper's face. We will also spend some extra time practicing our Quidditch and flying skills!

Thursday - Caring of Magical Creatures and Transfiguration. Magical creatures truly are fascinating. We will learn about some very unique magical creatures today and how to care for them. Then, campers will use their imaginations to create a magical creature they can call their own. Campers will decide everything from what it looks like to where it lives and sleeps, what it eats and what magical powers it has. We will also be exploring transfiguration as we try to transform an egg into something new!

Friday - Magical Games. After a week of hard work with our studies and Quidditch practice, it is time for our big Quidditch Cup! We will play Quidditch, eat some of Bertie's beans after the big game and play "Escape the Giant Spider" with the parachute!
