If your child has practice during either of the above times, s/he will rehearse during practice. If your child cannot make their scheduled rehearsal, s/he may come to the other one. If you do not practice during the above times, your coach will tell you which rehearsal to attend. Frederick teams should come to the Friday, May 17<sup>th</sup> rehearsal.
- If your child is scheduled for two shows on one day, you may drop him/her off at Airborne with a snack and s/he can stay straight through the second show. Our staff will *loosely* supervise team members.
- During the All-Team show the athletes will have a blast performing all of the Ninja, GymStar, and even Preschool numbers during the opening!
- Parents should attend the All-Team show on Thursday at 6:30. We have a fun show planned for you!
- Make sure your child's belongings are in a gym bag and that everything is clearly marked, especially if your child is performing with multiple groups or on multiple days. Airborne is not responsible for lost or stolen items.
