Wednesday: Animal Planet – Let the animals come and play in our gym instead of your house! Monkeys, kangaroos, crabs, and flying squirrels will be taking over the bars beams and trampolines! Bring your muscles and your imagination and the day will fly by.

Thursday: Olympic Day – The Olympic games are coming to Airborne for this camp! We will explore different summer Olympic sports, as well as learn cool facts about the Olympics - athletes to watch, dominating countries, and more! We will explore and try the more popular sports like Track & Field and Trampoline, and lesser known sports like archery! Make your own flag and earn your ribbons at the Airborne Olympics.

Friday: Outer Space – A day of exploration in space for future astronauts. Bounce across the moon, shoot rockets, and make glow-in-the-dark decorations for your room at home. It's bound to be out-of-this world.
